PASTEL PRISM

*Elevate Your Game with Razer Pastel Prism:
Where Color and Performance Converge!*

Precision and Beauty in Harmony

In 'Pastel Prism,' Razer presents a remarkable fusion of cutting-edge technology and captivating aesthetics. This collection redefines the boundaries of what technology can be, merging the precision and high performance Razer is known for with a spectrum of soft, soothing pastel colors.

Elevate Your Experience

'Pastel Prism' isn't just about looks; it's about creating an immersive experience that seamlessly integrates style and technology. Every product in this collection is meticulously crafted to meet the demands of gamers and tech enthusiasts who expect nothing but the best from Razer.

Crafting Excellence

From responsive keyboards to headphones that transport you into a world of sound and color, 'Pastel Prism' is a testament to the artistry of technology. It's where the soft hues of pastel blend seamlessly with the cutting-edge power of Razer, resulting in a collection that not only performs at the highest level but also captivates the senses.

A New Spectrum of Possibilities

With 'Pastel Prism,' we invite you to step into a world where precision meets beauty, where innovation meets elegance, and where Razer's legacy of excellence takes on a new spectrum of possibilities. Welcome to 'Pastel Prism' – Where Technology Meets Aesthetics.

PINK PRODIGY RAZER ATX

- 1 With options for maintenance-free AiO liquid cooling and air cooling, the Pink Prodigy ATX allows gamers and PC enthusiasts to crank up all settings to high and load up multiple applications, all while staying cool and virtually silent. All that adds up to make it the perfect system for serious Twitch streamers and YouTubers.
- 2 To build the ultimate gaming desktop, it begins with a frame that can support the performance within. Meet the Razer Tomahawk ATX that exude both form and function, equipped with premium features to accommodate your idea of the perfect rig, whatever it may be.
- 3 All of the ATX gaming cases are designed for optimized air cooling—venting heat not only from the rear, but also from the top as it pulls in cool air from the front and base.
- 4 Whether you're using a custom or All-in-One (AIO) liquid cooler, the Razer ATX has enough room to support up to 240mm radiators, while the ATX can fit up to 360mm to maximize the cooling capabilities of your rig.

PINK PRODIGY RAZER ATX

PURPLE PULSE RAZER KEYBOARD

- 1 The sturdy wrist support perfectly aligns to the keyboard to relieve pressure on your wrists, so you feel less fatigued when gaming over long periods.
- 2 Added for improved acoustics, the keyboard has a layer of special foam inside its casing which absorbs any pinging noises that might occur when you bottom out your keys.
- 3 Made of premium PBT plastic, the keycaps have a textured look and feel that won't wear down to a shiny finish with use. Featuring shine-through legends with ultra-thin fonts, their unique doubleshot molding process ensures a design that will never fade over time.
- 4 No keyboard customization would be complete without some slick cable management, which is why the set comes with a cable that does just that. Extendable to up to 2m, it also gives you more flexibility for keyboard positioning.

PINK PRODIGY RAZER KEYBOARD

Elevate your gaming experience to new heights with the Pink Prodigy Razer Keyboard. Its vibrant pink hues are more than just eye-catching; they're a statement of your commitment to precision and style. Dive into gaming with confidence, knowing that the Pink Prodigy Keyboard is your key to victory.

BLUE BLISS RAZER HEADPHONES

- 1 What separates good sound from phenomenal audio is the ability to transport you right into the action. Whether it's knowing the precise location of enemy gunfire, or embracing the moment as you stand in the center of an arena, THX Spatial Audio delivers a performance greater than 7.1 surround sound to make your audio come alive.
- 2 Our patented 3-part driver design pushes out exceptional highs, mids, and lows that doesn't muddy, providing a more dynamic listening experience for deeper immersion. Upgraded with new titanium-coated diaphragms for superior clarity, enjoy powerful sound across your games, movies, and music.
- 3 Engineered for 40 to 50 hours of non-stop usage, the Razer Barracuda range allows for more than a day's worth of entertainment on a single charge. From a full workday followed by a gaming night, the headsets will have you covered all the way.
- 4 The dual hidden microphones feature powerful levels of noise suppression that can be customized for indoor and outdoor use. Game or take calls with clear confidence as your voice is picked up with full clarity regardless of your environment.

PINK PRODIGY RAZER HEADPHONES

Elevate your audio experience with Pink Prodigy Razer Headphones, where vivid pink meets precision sound. These headphones are designed to make a statement both in style and performance. Dive into your favorite music or immerse yourself in the gaming world with Pink Prodigy – where sound and aesthetics unite for an unmatched experience.

PURPLE PULSE RAZER HEADPHONES

Dive into a world of sound and color with the elegant Purple Pulse Razer Headphones. These headphones combine the rhythm of your favorite tunes with the vibrancy of pulsating purple. Whether you're gaming, working, or simply enjoying music, Purple Pulse ensures your audio experience is a symphony of excellence.

BLUE BLISS RAZER HEADPHONES

Discover auditory bliss with the Blue Bliss Razer Headphones. Designed for those who appreciate both quality and aesthetics, these headphones envelop you in the soothing embrace of blue tones. Whether you're gaming, working, or relaxing, Blue Bliss ensures your audio experience is a harmonious journey.

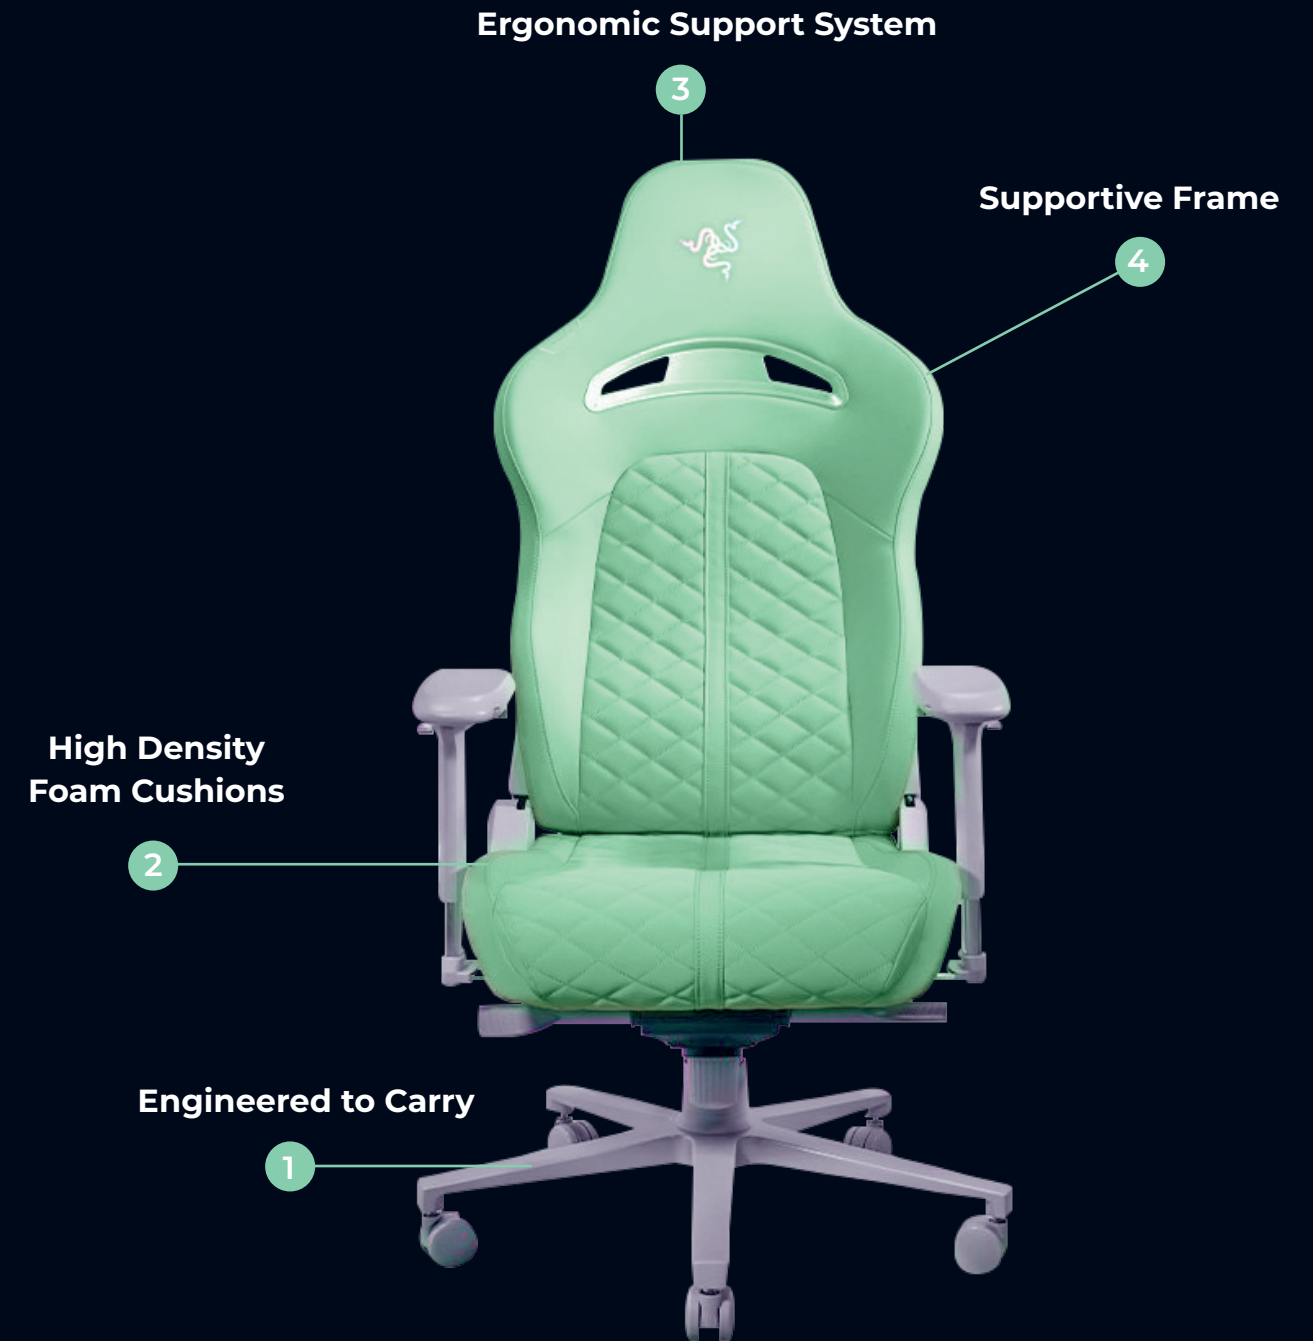

MINT MOMENTUM RAZER HEADPHONES

MINT MOMENTUM RAZER CHAIR

- 1 With a steel-reinforced body, armrests and wheel-base, this ergonomic gaming chair can support a weight of up to 299lbs/136kg, and is ideal for gamers with a height of 5'6"-6'2"/170-190cm. It also features angled seat edges to maximize resting surface area.
- 2 For the perfect balance of support and comfort, the Razer Iskur has plush, dense cushions which provide better contouring, allowing your weight to apply just enough pressure as they mold to support your unique body shape.
- 3 Unlike most gaming chairs which have lumbar pillows that shift over time or fixed supports that can't be adjusted, the Razer Iskur provides total lower back support with a built-in, fully adjustable lumbar curve that closely aligns to your spine—ensuring ideal gaming posture for maximum comfort in gaming marathons.
- 4 Whether you're using a custom or All-in-One (AIO) liquid cooler, the Mini-ITX has enough room to support up to 240mm radiators, while the ATX can fit up to 360mm to maximize the cooling capabilities of your rig.

PINK PRODIGY RAZER CHAIR

Unleash your gaming potential with the Pink Prodigy Razer Gaming Chair. This chair doesn't just offer comfort; it's a throne of power and style. Designed with gamers in mind, its vibrant pink hues and ergonomic design enhance your gaming experience. Dive into the world of gaming, knowing that the Pink Prodigy Chair supports your every move in both comfort and style.

PURPLE PULSE RAZER CHAIR

Experience gaming luxury with the Purple Pulse Razer Gaming Chair. It's not just a chair; it's a throne of regal purple brilliance. Designed to immerse you in comfort and style, Purple Pulse brings a touch of royalty to your gaming setup. Whether you're conquering virtual worlds or working on your latest project, this chair offers comfort fit for kings and queens.

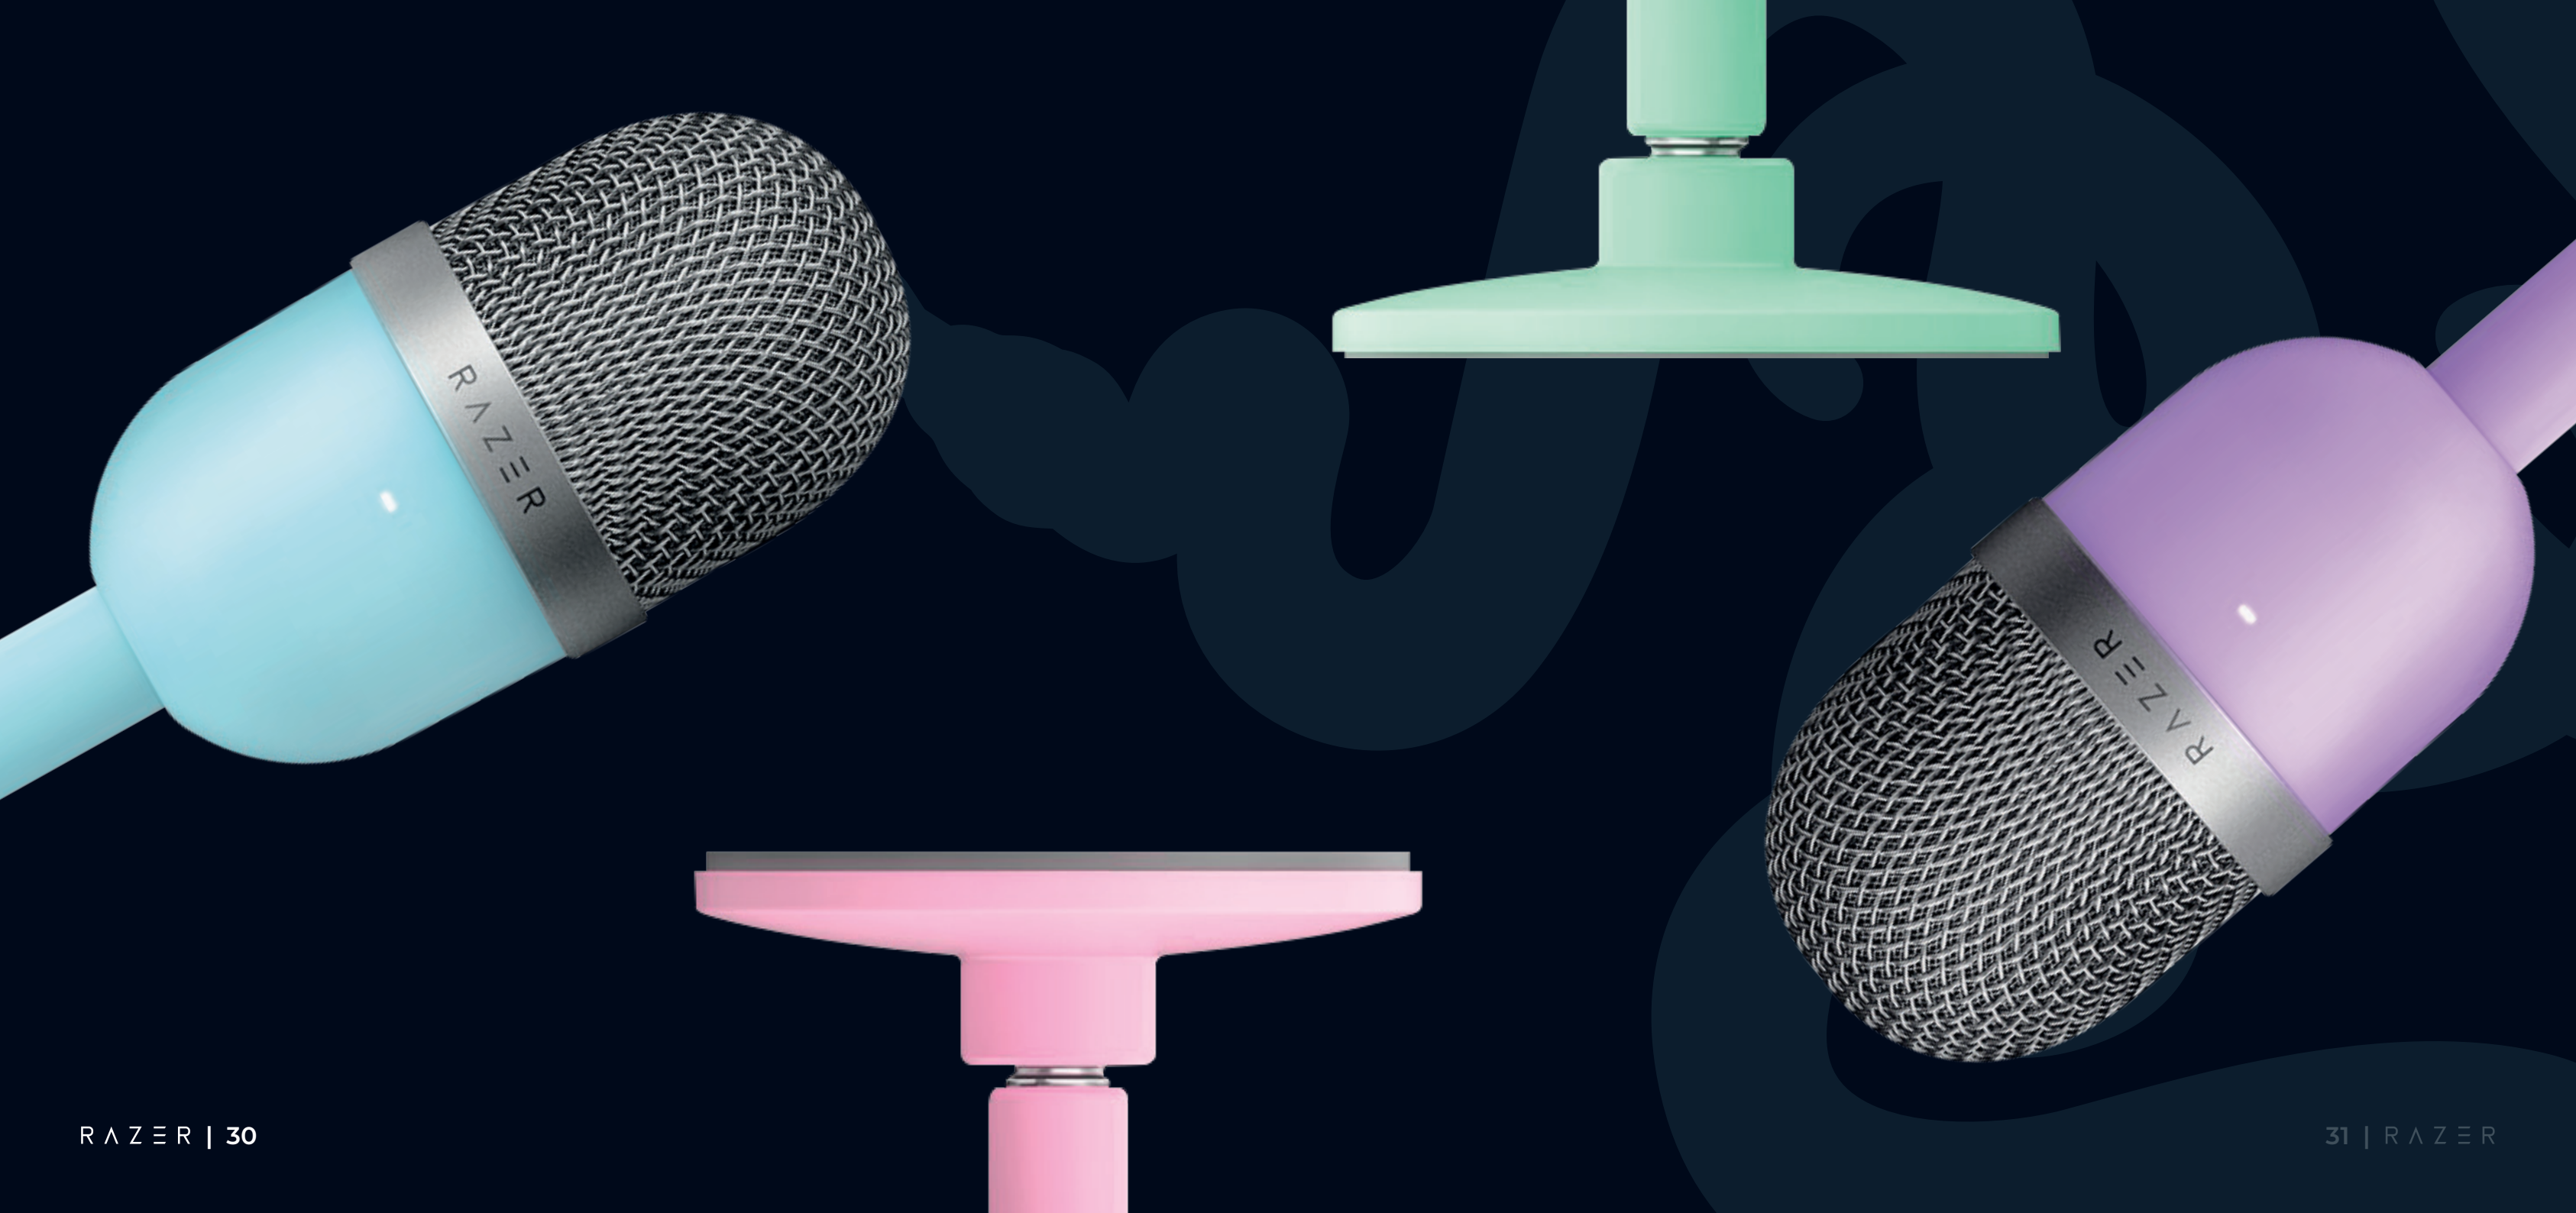

BLUE BLISS RAZER CHAIR

Find your gaming serenity with the Blue Bliss Razer Gaming Chair. This chair is more than just a seat; it's your portal to tranquil gaming sessions. Immerse yourself in soothing blue tones, and let the ergonomic design support your every move. Whether you're gaming, streaming, or working, Blue Bliss ensures you do it in comfort and style.

MINT MOMENTUM RAZER CHAIR

Fuel your gaming and creative momentum with the Mint Momentum Razer Gaming Chair. It's not just a chair; it's a burst of refreshing mint energy that propels you forward. Designed for innovation and comfort, Mint Momentum offers a supportive and stylish seat for all your gaming endeavors. Step into a world of endless possibilities, where comfort meets productivity.

PINK PRODIGY RAZER MICROPHONE

- 1 Made for minimalist or smaller setups, this compact condenser mic barely takes up any desk space and is discreet on camera so that the focus is always on you. It's also easy to bring along if you need to take your streaming or work elsewhere.
- 2 The mic is attached to a stable support that can be angled to find the perfect sweetspot for your voice. It can also be detached and mounted on a boom arm or mic stand that uses a standard 5/8-inch thread.
- 3 When accidental knocks and bumps happen, the Razer Seiren Mini's built-in shock mount dampens these vibrations to help protect your stream or your colleagues' ears against sound anomalies.
- 4 Because this compact condenser mic is tuned with a tighter pickup angle, it can focus on your voice and has better ambient noise reduction—ensuring that background sounds like typing and mouse clicks are minimized.

PURPLE PULSE RAZER MOUSE

- 1 Enjoy ultra-responsive, low-latency gaming with speeds faster than other wireless tech. Streamline your setup and free up a USB port by connecting your wireless mouse and keyboard to a single dongle—a multi-device support feature available in our latest Razer HyperSpeed products.
- 2 Our industry-leading sensor continues to provide a flawless tracking performance on a wider variety of surfaces including glass—supported by intelligent functions for enhanced aim and control.
- 3 Offering satisfying feedback with a distinct, notched feel, the scroll wheel also has a lower scroll resistance that feels easier and lighter to use—so cycling through weapons and executing bunny hops becomes truly second nature.
- 4 This wireless ergonomic gaming mouse offers 3 modes of connection to adapt to your needs: up to 120 hours via Bluetooth for maximum usage, up to 70 hours via Razer™ HyperSpeed Wireless for low-latency gaming, or plugged in via its Razer™ Speedflex cable so you can continue to game even as it's charging.
